Riverside University High School MISSION STATEMENT

Riverside University High School is committed to being a diverse multicultural urban high school with a primary focus on the preparation of students for success in post-secondary educational settings. The shared efforts of students, parents, and staff will result in life long learners and productive citizens in the global community.

This Foundation newsletter will update everyone on how, and how well, the school actually carries out this Mission Statement on behalf of its 1,500 students.

Special Edition – This is a special edition of *Come Home To Riverside Foundation News*. The Foundation, which is funded almost entirely by annual membership dues and additional donations from Riverside alumni and friends, will continue to solicit the \$40 annual dues through its December newsletter. We are sending this more extensive June newsletter to all of those persons who have ever donated any amount of money to the Foundation. In addition, this special edition of the newsletter will be sent to all retired Riverside staff as well as the graduating classes from the past three years. It is our hope that all Foundation supporters will continue to donate generously so that the Foundation can continue to support Riverside in its mission to provide a high quality, college preparatory education to its diverse urban student body.

Foundation Services

Web site — The Foundation web-site address is www.chtrf.com. Our web site is a work in progress as we continue to try to meet the needs of our members. If we are notified of planned class reunions, we will be happy to post the information on our web site and include it in one of our two yearly newsletters. Suggestions for changes and improvements to our web site can be e-mailed to Jim Gibson at gibsonj5@aol.com.

Alumni Database — The Foundation maintains a database of names and addresses of approximately 23,000 Riverside alumni and retired staff of which nearly 7,000 are known to be accurate as of the December, 2005. We are constantly receiving updates on name and address changes. The Foundation uses this database solely for mailing our two yearly newsletters. However, upon receipt of a written request from an alumnus who is part of a class reunion planning committee, we will provide a copy of our database for that graduating class only. The only thing we ask in return is that the reunion planning committee provides us with a copy of their updated list of names and addresses after it is completed. Requests for class lists for reunion planning purposes can be e-mailed to Mr. Gibson at gibsonj5@aol.com.

Class Reunions — Although the Foundation does not plan class reunions, we would be happy to provide a tour of the Riverside University High School building as part of such alumni functions. In addition, we would appreciate the opportunity to speak at any alumni function concerning the efforts of the Foundation to assist Riverside in continuing to provide a high quality urban education to all of its students.

Mary Ann Zapala Is On The Move

The current Foundation President is moving out of town and therefore needs to relinquish her leadership position. During her tenure as principal of Riverside, Mary Ann actively supported the Foundation's work and encouraged many others to do likewise. Since her retirement, Mary Ann has continued to serve on the Foundation's Board of Directors, most recently as its President. Mary Ann's passion and dedication to Riverside's student's have motivated her to work diligently to increase the Foundation's fund-raising efforts. Having struggled first-hand with increasing enrollments, reductions in staff and diminishing financial resources, Mary Ann believes strongly that the Foundation can serve a vital role in helping the school maintain its longstanding record of academic excellence. The Foundation is grateful for Mary Ann's steadfast leadership and service.

School Funding Crisis Continues To Harm Riverside

The lack of public support for public schools continues to provide significant challenges to the administration, staff and parents at Riverside University High School as they attempt to maintain a high quality education for their students. While adults on both sides of the public school funding issue continue to argue the merits of their respective positions, Riverside students recognize that they are the ones who are suffering. In the May 6, 2006 issue of "Word on the River", the Riverside student publication, student writer Jabril Faraj noted that the Riverside operating budget has been reduced from \$16 million dollars to \$14 million dollars in the past five years resulting in the reduction of more and more staff positions "leaving fewer teachers to teach more students". Faraj questions how the school can fulfill its main goal of "the preparation of students for success in post-secondary education settings" if "it is not given the resources to do so".

2006 Foundation Scholarship Recipients

Although there are many senior students who are very deserving of scholarships, the Come Home To Riverside Foundation has limited resources at this time. Scholarships are awarded on the basis of academic achievement at Riverside, participation in school and community activities and on financial need. The Foundation has decided to award its 2006 scholarships to the students listed on page three.

Alumni News

The Come Home To Riverside Foundation invites alumni to send us information about professional accomplishments, new jobs, weddings, retirement, relocation and obituaries. You can send such items with the Membership Form insert in this newsletter or E-mail them to www.chtrf.com.

Class of 1929

Tamica Ellis – Professional Actor/Singer

Class of 1993

Luke Walrath – Professional Actor – Musical Theater

In Memoriam

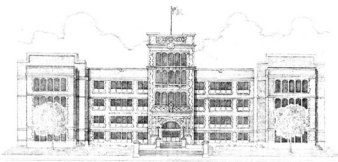

The Riverside University High School community mourns the recent death of Mrs. Kate Windorski who taught vocal music at Riverside for many years. Mrs. Windorski was an energetic, creative and inspiring teacher to those students who were fortunate enough to participate in the wide range of student choirs and school musicals which she led. Her grace, her warm smile and her passion for music will be greatly missed by all who knew her.

Mrs. Windorski's family has allowed the Come Home To Riverside Foundation to establish an annual student scholarship in her name. It is hoped that many of Mrs. Windorski's former vocal music students, some of whom have become quite successful professional singers and performers, will be willing and able to support this new music scholarship. Donations to the "Kate Windorski Memorial Music Scholarship" can be sent in the enclosed envelope.

Educator Honor Roll

Honor a favorite Riverside teacher, administrator or educational support person that has made a difference in your life. Your name and the name of your honoree will be included in the next Foundation newsletter along with any comments about the honoree which you may wish to make. Please provide the following information regarding your honoree and mail it along with the membership form above and your additional \$25 donation in the enclosed envelope:

1. Name of person you are honoring
2. Position person held (teacher, administrator, educational support person)
3. If the person is/was a teacher, indicate year(s), grade, subject level
4. Reasons why this educator was important in your life.

Your Continued Support of Riverside Is Greatly Appreciated.

Foundation Progress Report

The Come Home To Riverside Foundation was formed in 1996 by a small group of Riverside High School graduates whose goal was to raise charitable funds in order to provide scholarships to deserving Riverside graduates and to support the program efforts at the school in the face of dwindling public financial resources. The Foundation raises funds in three ways:

- 1. Individual annual memberships and donations.** Since the inception of the Foundation in 1996 hundreds of individual donations totally between \$10 and \$100 per person have been received by the Foundation. Other totals are as follows:
 144 people have donated between \$100 and \$200
 47 people have donated between \$200 and \$300
 26 people have donated between \$300 and \$400
 6 people have donated between \$400 and \$500
 32 people have donated between \$500 and \$1,000
 8 people have donated between \$1,000 and \$8,000

Class Reunions have raised funds for the Foundation as follows:

- Class of 1949 = \$100
- Class of 1958 = \$200
- Class of 1950 = \$625
- Class of 1993 = \$2,850

- 2. Donations to specific scholarship funds.** The Foundation currently includes three specific scholarships funds in addition to its own general scholarship fund.

- A.** The Jack Rosenberg ('1937) Scholarship Fund (minority male). The late Jack Rosenberg and his wife Lucy have funded these scholarships so far.
- B.** The Larry Leonard (deceased teacher/coach/administrator) Scholarship Fund (African American male). In addition to two individual donors, this scholarship fund is financed by a number of fundraising activities through the school.
- C.** The Drew/Washabaugh Scholarship Fund (School Newspaper). Donations to this fund are raised by Mike Drew, a journalist/journalism mentor, and Cathy Washabaugh, a retired RUHS journalism teacher and her husband Bill. Fifty-seven different donors have contributed to this scholarship fund so far.

- 3. Through additional specific fundraising activities:**

- A.** The biannual Book Sale during Parent Conferences has raised a total of \$1,150 for the Foundation's general fund.
- B.** The first effort last Fall at what is planned as an annual Rummage Sale raised in excess of \$2,000.

To date, the Foundation has supported Riverside and its students in the following ways:

A. Annual Foundation Scholarships	\$38,000
B. Jack Rosenberg Scholarships	\$85,000
C. Larry Leonard Scholarships	\$6,500
D. Drew/Washabaugh Scholarships	\$5,200
E. RUHS Program Support (technology, Renaissance Program, classroom needs)	\$38,000

2006 Scholarship Winners

\$500 Scholarships:

Sarina James: Overall grade point average (GPA) of 3.915. Ranks 7th in her graduating class. Took a significant number of Advanced Placement (AP) and Honors courses during all four of her years at Riverside.
